

SPECIALTY CAKES

\$20.00

With over 100 cake molds to choose from, The Hungry Pelican is bound to have "something for everyone". Below is a list of our molds. Many of the molds can be made into many different cakes so if you don't happen to see what you're looking for, ask us and we'll see what we can do. We also have the ability to place any picture, photo or logo on any cake. We use a standard box mix which will feed 12-16 people. Please allow extra ordering times in the summer.

Last year, we completed renovation of a small space located in the Waterfront Shops and converted it into a USDA approved bakery. Although it does not have a store front, it enables us to carry a wide variety of homemade baked goods in the restaurant. We hope you enjoy.
